

ACT and SAT Tests

Test-Score Requirements

You must achieve the required score on the SAT or ACT before your full-time collegiate enrollment. You must do this whether you are a citizen of the United States or of a foreign country. Also, state-administered ACT exams will be accepted by the Eligibility Center. You may take the national test given on one or more of the dates shown below.

IMPORTANT CHANGE:

All SAT and ACT scores **must** be reported to the Eligibility Center **directly** from the testing agency. Test scores will **not** be accepted if reported on a high school transcript.

When registering for the SAT or ACT, input the Eligibility Center code of **9999** to make sure the score is reported directly to the Eligibility Center.

Taking Tests More than Once

You may take the SAT or the ACT more than one time. If you take either test more than once, you may use your best subscore from different tests to meet the minimum test-score requirements. Here is an example:

	Math	Verbal/Critical Reading	Total Score
SAT (10/09)	350	470	820
SAT (12/09)	420	440	860
Scores used	420	470	890

Your test score will continue to be calculated using the math and verbal/critical reading subsections of the SAT and the math, science, English and reading subsections of the ACT. **The writing component of the ACT or SAT will not be used to determine your qualifier status.**
