

Prospective Player Information

Our goal is to provide each MJHL player with an elite hockey development experience both on and off the ice, with a strong emphasis on education and positive citizenship.

The league and its member teams provide outstanding opportunities for young men who are interested in developing into elite hockey players while pursuing both educational and hockey dreams. Each player is given the platform to showcase themselves to scouts, coaches, and recruiters from all levels on any given night and the MJHL is a launching pad to NCAA, Major Junior, Canadian University, AHL and the NHL.

The MJHL and its member teams are committed to providing players with everything they need to help them Live Their Dream with the common goal of Developing Elite Players and People!
